ITALIA

What is Mage Titans Italia?

Mage Titans Italia is a one-day technical conference for the Magento Developer Community in Italy.

The conference is at its first year out of UK, where it was held for the first time in 2014. The conference will take place in Milan on Friday, February 5th 2016.

Why Mage Titans Italia?

Mage Titans Italia is a technical conference aiming to become a valuable resource for the Italian Magento Developer Community.

The contents of the conference are designed by Magento developers to offer affordable access to the world's biggest and best thought leaders and innovators and offer a space for Magento developers to network and knowledge share with their peers.

Benefits of becoming partner

Mage Titans Italia will provide unmatched networking opportunities across a wide spectrum of businesses; sponsors will be given branding opportunities both pre and during the event itself.

Supporting the Italian growing eCommerce community and industry will allow you to raise the profile of your brand or business, develop relationships with potential partners, clients, recruits and the best and the brightest Magento specialists.
